

LSAT 2011 NOTIFICATION

DATE OF TEST: 30th April, 2011

DETAILS OF THE TEST

The LSAT - India is a standardized test of Reading and Reasoning Skills designed by the USA based Law School Admission Council (LSAC) for use by Law Schools in India. The LSAT - India will be administered across 17 Pearson VUE test centre locations in India and at select overseas Pearson VUE test centre locations. The LSAT—India is a paper-and-pencil test with four sections. The total duration of the test is 155 minutes. Two of the sections contain logical reasoning questions; one section contains analytical reasoning questions; and one section contains reading comprehension questions. The amount of time allotted for each section is 35 minutes. There is one 15-minute break between section 2 and section 3. All questions are in a multiple-choice format, some with four answer choices and others with five.
